

Analytical information

Alcohol: 11%

pH: 3,62

Total Acidity: 5,43

Volatile acidity: 0,52

Residual sugar: 0,1

Total sulfur dioxide: 22

Variety:
Palomino.

Vineyard:
Old vineyard of 102 years old.

Wine history:
We want to make a very long maceration with a neutral variety as Palomino. Trying to show an the side most expressive of the variety.

Eclético Orange 2021

Elaboration

Very long maceration of 7 months with skins and stems. After that was ageing 15 months in french barrells

- **Ageing: 15 months in french barrells.**
- **Stock: 2.000 bottles.**
- **Vintage: 2021**
