

# Falkenberg 2016

Falkenberg is a Riesling, which does not aim for a lot of fruit or beauty, but aspires to a really straight and mineral taste. This wine is grown on higher parcels and on a lower quantity. It is aged in 1000 l Mosel Fuders without malolactic fermentation and additionally for a few weeks in steel tanks (every year for a different duration). Falkenberg is a wine, which pares well with food.
