Grape Variety: Trajadura

Vintage: 2023

Alcohol: 12% vol.

Total Acidity: 4,10 g (tartaric acid)/l

Residual Sugar: 11,50 g/l

pH: 3,64

WINEMAKING PROCESS

With this RAZA PET NAT, we're returning to an ancient way of producing our wines. This RAZA PET NAT reflects a minimal intervention approach, letting nature dictate the fermentation with wild yeasts. Spontaneous fermentation ends in the bottle with no sulphites added, creating a fine, persistent bubble and a natural sediment. The wine is not filtered.

TASTING NOTES

This refreshing fizzy wine is packed with fruity and vibrant orchard flavours. Its natural sediment makes the wine cloudy while increasing the complexity of the flavours. Suitable for vegans.

FOOD PAIRINGS

Appetizer, suckling pig, fatty fish and festive occasions

RECOMMENDATIONS

Service temperature between 6° - 8°C.

RAZA PET-NAT

VINHO BRANCO | WHITE PETTILANT WINE 2023

Com este Pet-Nat, voltamos a uma forma ancestral de produzir os nossos vinhos, elevando as leveduras indígenas, efetuando a fermentação. Este vinho refrescante é repleto de sabores de pomar vibrantes e o seu sedimento natural torna o vinho turvo, enquanto aumenta a complexidade dos sabores. Aprecie este vinho com amigos e boa comida.

With this Pet-Nat, we go back to a more low-intervention way of making our wines, letting nature dictate with wild yeasts. This refreshing fizzy wine is packed with vibrant orchard flavour, and its natural sediment makes the wine cloudy while adding to the complexity of flavours. Enjoy with friends and good food.
