RAZA SINGLE VINEYARD
VINHO VERDE DOC - 2022 - PADEIRO

VINHO ROSE - ROSE WINE

The Quince vineyard, where the Paderno variety is planted, is one of the most secluded places on our property. The surrounding forest of ancient oaks provide the ideal conditions for these grapes to maintain their unique freshness. Our special Paderno grape allows aromas of wild strawberries and white flowers picked in the morning, with a delicate and natural acidity. The wine is naturally fermented, followed by a short ageing in tank on fine lees for more complexity.
