Vintage: 2023

Alcohol: 12,5% vol.

Total Acidity: 7,8 g (tartaric acid)/l

Residual Sugar: 1,1 g/l

pH: 3,07

WINEMAKING PROCESS

With this RAZA PET NAT, we're returning to an ancient way of producing our wines. This RAZA PET NAT reflects a minimal intervention approach, letting nature dictate the fermentation with wild yeasts. Spontaneous fermentation ends in the bottle with no sulphites added, creating a fine, persistent bubble and a natural sediment. The wine is not filtered.

TASTING NOTES

A very fruity wine with fine, persistent bubbles. Refreshing and full of red fruit and wild yeast flavours. Its natural sediment makes the wine cloudy while increasing the complexity of the flavours. Suitable for vegans.

FOOD PAIRINGS

Appetizer, fatty fish, spicy food and festive occasions

RECOMMENDATIONS

Service temperature between 6° - 8°C.

RAZA PET-NAT | ROSE 2023
VINHO ESPUMANTE IG MINHO (BRUTO) ROSE SPARKLING WINE

Com este Pet-Nat (Petillant Naturelle), voltamos a uma forma ancestral de produzir os nossos vinhos, com leveduras indígenas que concluem a fermentação in situ, criando uma bolha fina, e um sedimento natural que dá corpo aos vinhos. Não contém aditivos nem conservantes. Vinho orgânico certificado e monitorado através do sistema de rastreio de vinhos da Quinta da Raza. Adequado a vegetarianos e veganos. Serve a 8-10°C. Sujeto a cast. depositado.

With this Pet-Nat (Petillant Naturelle), we have returned to an ancient way of producing our wines, using indigenous yeasts to complete the fermentation in the bottle, creating a fine bubble. Not filtered to natural clarity. No additives or preservatives. Organic wine certified and monitored through the Quinta da Raza wine traceability system. Suitable for vegetarians. Serve at 8-10°C. Subject to deposit.
