## THE VINTAGE

2020 was affected by some rain, which caused some fungal diseases and decrease in production. The spring was warm, which anticipated the maturation, and made the harvest occur early, on September 5th.

## THE VINEYARD

The vineyard is located in Cordinhã (Bairrada), in a limestone soil with some clay, at an altitude of 50 meters, and has an approximate age of 50 years.

## THE VINIFICATION

The BAGA grapes were selected in the vineyard and at the winery, in Quinta de Baixo, and went through a process of total destemming. The alcoholic fermentation started in contact with the skins, in a stainless steel tank, where it remained for one day, without maceration. The must was bled, and fermentation ended, already without the skins, in another stainless steel tank, where malolactic fermentation also took place.

## TASTING NOTES

Pale ruby colour, with strawberry, red currant and spicy aromas and flavours. It is a dry, fresh and mineral wine, with soft tannins, low levels of alcohol, and a light body. It should be served slightly chilled (12-14°C) alone or with food and friends.
