

2022 MAIAS RED WINE (Organic)

Appellation d'Origine Contrôlée DÃO

Vintage and harvest: 2022 was one of the hottest and driest years since 1931!

Following a cold and dry winter, which delayed a little bit the bursting of the new shoots, spring came with high temperatures and very low precipitation allowing growing cycle to level with previous years.

From April onwards it was a sequence of high temperatures and drought establishing records.

Flowering period was great with no humidity hampering the good pollination and fruit set of all grape varieties.

Again, on the positive side, with the dry weather, 2022 was one of the years with less disease pressure allowing us to focus on canopy management to avoid any sun struck grapes.

Maturation was a little bit uneven due to the lack of water and harvest was earlier than usual.

We began in August 30 with the Jaen and Tinta Roriz for the rosé wine and kept through out September until the 27th finishing with Touriga Nacional and Barcelo.

Grapes were in excellent health with the ratio between acids and sugar a little bit unusual.

Nonetheless all the wines are showing wonderful flavours and are very fresh on the palate being the reds astonishingly smooth and elegant in terms of tannins.

We have great expectations about this year's wines and their potential for ageing.

Varieties: Jaen (65%), Touriga Nacional (15%), Alfrocheiro (15%) e Tinta Roriz (5%).

Wine making technology: pressing of the grapes with total destemming, followed by fermentation in stainless steel vats with indigenous yeasts at a temperature of 28-30°C. Maceration period of 11 days with soft "reassemblages".

Ageing: in stainless steel vats.

Bottling: before bottling the wine was only subject to a light filtration through cellulose plates in order to preserve the integrity of the wine. Bottled in the beginning of August 2023.

Analysis:

Alcohol by volume (alc. / vol.):	12.9%
Total Acidity (g / l C ₄ H ₆ O ₆):	5.44
Volatile Acidity (g / l C ₂ H ₄ O ₂):	0.71
Dry Extract (g / l):	30.2

Organoleptic tasting: a perfectly clear rubi colour, brilliant, with an intense fresh fruit bouquet reminding wild blackberries, plums and cassis. On the palate has a good body, it is very powerful, with the natural youth astringency, with elegant tannins and a long finish.

Aptitudes: a wine to be drunk since now, though it will improve significantly with a 6-12 months ageing in bottle. Excellent for keeping for a period of 5-7 years.

Service: at a 14°-16°C temperature. Accompanying dishes with roasted meats and sausages.
