VINIFICATION

Originating in the area of Criação Velha, the grapes were harvested manually and carefully selected to integrate this wine. Fermentation was 65% in a oak barrel and the rest in stainless steel tanks. After fermenting, the wine aged on fine lees for 7 months.

TASTING NOTES

Markedly mineral, with notes of citrus fruits and pineapple, in a set where the barrel where it fermented and aged complexes the whole set. When tasting, it is vibrant and mineral, maintaining an attractive freshness until the end. With a lot of volume, it is enveloping and ends very saline.
